On October 29, 2003, the Civilian Review Authority Board held a public hearing regarding its proposed Administrative Rules. After discussion, the Board voted to forward the attached Rules for consideration by the Health & Human Services Committee. The Board requests the Committee forward the Rules to the full Council for adoption.

The Civilian Review Authority Board adopts these rules in accordance with Minneapolis ordinance and with the intent of identifying the Authority's process for fairly and legally adjudicating citizen complaints of police misconduct.

The proposed Administrative Rules and a brief statement of purpose are attached.
